\*hours saved based on average of 100 loans closed/mo

## BOOK DEMO

## MOVE LOAN FILES BETWEEN VARIOUS LOAN FOLDERS USING BUSINESS RULES

Did you know how many clicks your staff averages a month moving loans between folders? 4,210 per 100 loans. Not to mention all of the "oh, I forgot to move it" emails! Loan Folder Automation moves loans to the appropriate folder, in real-time, based on whatever rule(s) you need. RESPA 6 pieces? Go to the pipeline folder. Adverse status changed, loan funded... etc etc etc. Simple and awesome.
